

HHGC Dress Code 2024 - What to wear

We are a progressive, modern and inclusive golf club but the traditions of golf remain important to us. A reasonable standard of dress is required at all times and our dress code has been put in place to reflect this.

Members and Visitors alike are asked to adhere and support the dress code policy. Dress code on the golf course means standard appropriate golf attire.

ON THE COURSE

The guideline is that any recognised golfing dress that can be purchased from a golf retail outlet is acceptable.

- Proper footwear that has been specifically designed for golf must be worn on the course.
- No denim jeans, football, rugby tops, vests, cargo shorts or large sporting logos on shirts.
- Recognised golf shirts, tops and tailored shorts must be worn.
- Shirts must be tucked in on the course with no rolled-up sleeves.
- Peaked caps must be worn with the peak facing forward.
- All players must have their own bag and golf shoes to play the course (No sharing of clubs).
- Players can only go out in teams of 4 no more.
- Golfers who are seen not to follow the Club's dress code will, in the first instance, be politely advised of the current dress code by any golf member or Golf club Head Professional.

Please note, failure to observe the above may lead to being asked to leave the course by any member.

The above code has been considered and approved by the General Committee and will take affect from 1st September 2024

Guests

As we have many private parties and events for visitors obviously it makes it much more difficult to enforce a similar dress code but we hope our guests feel very welcome and dress appropriately.
